

RE9 ADVANCED. PREPWORK

An easy way for the busy “girl on the go” to help skin maintain a healthy-looking glow.

The Arbonne Advantage

Fun skincare products formulated with a **superfood cocktail** that helps skin maintain that coveted, healthy-looking glow – without feeling like extra work.

RE9 Advanced Prepwork Collection

- **Cleansing Polish** — Formulated with exfoliants from lingonberry and apricot to gently buff away dull surface skin cells, makeup and excess oil.
- **Gel Eye Masks** — Fun patches for your under-eyes that soothe and cool on contact, transforming tired, puffy-looking eyes into “morning person” eyes.
- **Hydrating Dew Cream** — Refreshing cream-to-gel formula moisturises the lipid barrier, with none of the shine and all of the softness.
- **Soft Focus Veil Broad Spectrum SPF 30** — Lightweight veil containing 100% mineral-based sunscreen creates a soft focus effect to blur the look of pores and baby lines.

PREPWORK HELPS

- + Maintain the skin’s youthful vitality while it’s still glowing
- + Improve the appearance of skin tone, radiance and luminosity
- + Soften the look of baby lines
- + Improve the look and feel of skin texture and bounce

Core Superfood Ingredients

- **Kakadu plum**, with vitamin C, boosts and maintains moisture, resulting in an improved appearance of baby lines while restoring a natural, youthful glow
- **Pea protein**, with phytonutrient and antioxidant properties, helps moisturise the skin to improve the look of firmness and elasticity
- **Sustainable lingonberry stem cell extract**, containing vitamin C and E along with polyphenols, helps to improve the appearance of skin radiance and texture by conditioning the skin
- **Raspberry ceramide**, a superfood with omegas 6 and 3, is at the heart of our hydro-sealing blend, along with the antioxidant vitamin E
